

Weiss Service

Weiss oxygen meter WO2 is no longer in production, and it will no longer be possible to get spare parts from Weiss suppliers.

The panel on the WO2 meter can also no longer be repaired.

The successor to the WO2 meter, the G36, can

Weiss Service recommend the ABB Endura AZ20 meter as an alternativ.

ABB Endura AZ20 is, with it's high reliability, it's low maintenance and accuracy, considered to be the best successor to the WO2 og G36 meters.
